Hi Uche,

Below is the email to be sent to Ify to support the savings banking so we can implement in Fit4. Kindly review and support.

.....

Hi Ify,

Please find attached approved Part B and signed sales agreement to implement applicable cost savings achieved from this transaction.

The price negotiation with NAPIMS achieved a 19% discount on the last paid price and a 46% reduction from the 2021 estimate. The savings computation is as follows:

Company estimate (unit rate) at Purchase of initial 545joints from TEPNL - A	\$11,000.00
Purchase Price (unit rate) of initial 545joints from TEPNL – B (Last paid price)	\$7,400.00
Current Purchase Price (unit rate) from NAPIMS - C	\$6,000.00
Embedded Savings (A - B*900 joints)	\$3,240,000.00
Incremental Savings (B - C*900 joints)	\$1,260,000.00

Kindly support for loading in Fit 4.

Best Regards,  
Tarere
