Hi Osenyen,

The CSD Calculations are in order. Apologies for the delay, thought I had already responded.

Regards,

Victoria.

Hello, Victoria

Please find attached my correspondence with Adediran on the matter.

I've also attached an excel sheet with my base data. It shows materials that were rejected offshore in 2014 to 2016, and their costs. It does not include the cost of transporting them to and from Onne, as that requires me to get their weights and that info is not readily available. Also note that some materials were returned and not recorded.

Many thanks for your help.

Regards
Osemhen

Good afternoon, Sir

Trust you're well. Please find attached my CSD calculation. I was unable to fix a time with Victoria because of her busy schedule.

The CSD calculation was done with Adediran Adewale. Is this okay?

Thank you.

Regards
Osemhen
